

PMHP strategic goals 2018 - 2020

1. Advocacy for action towards maternal mental health for all mothers
2. Strengthening health and social development systems for integration of maternal mental health services at scale.
3. Generating knowledge to strengthen maternal mental health systems in low resource settings
4. Building a critical mass of service providers capable of detecting and providing basic mental health support for mothers
5. Financial stability for the PMHP

PMHP operations

The Perinatal Mental Health Project envisions mental health support for all mothers to promote their well-being, and that of their children and communities. The mission is to develop and advocate for accessible maternal mental health care that can be delivered effectively at scale, in low resource settings.
